

Metamark MD5-A-HB Series

High Performance Digital Vinyl with Grey High Tack MetaScape® System

Metamark MD5-A-HB has been developed to apply to 'difficult to stick to' surfaces, smooth low energy plastics such as PE and PP, and for interior wall décor applications. With the added benefit of our MetaScape® adhesive system, offering faster and easier application by providing air with an exit route from under the graphic.

MD5-A-HB delivers outstanding print performance through the combination of Metamark's distinctive coating technology, and high performance grade polymeric calendered film.

Performance you can trust
